Do you want a drop?

Gijón/Xixón is an ideal destination in the centre of the región of Asturias on the Spanish Green Coast right on the way of St. James and the Cantabrian apex of Via de la Plata route

The city is a sort of open-air saltwater spa where leisure and the joy of living permeate every pore of its skin, an ideal space for enjoyment: sports, culture, entertainment, gastronomy, and abundant animation form the backbone of Gijón/Xixón.

Discover
ASTURIAS
from
GIJÓN

Gijón/Xixón shines not only because of the treasures it holds, but also because of its privileged location, which makes it the ideal starting point for many routes around Asturias.

**WESTERN COAST
AVILES- CUDILLERO**

The Protected Landscape of the Western Coast marks the end point of this almost 90-km long one-way route, which puts the beauty of the Asturian coast on full display and will help you discover some emblematic towns of the Principality: AVILES and CUDILLERO

**PICOS DE EUROPA
CANGAS de ONIS
COVADONGA**

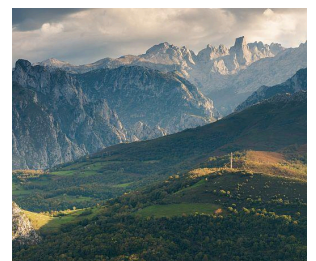

PICOS DE EUROPA: TAZONES- LASTRES- FITU- CANGAS DE ONIS -COVADONGA.

Stretching 114 km, this route will lead you through the east side of Asturias. You will discover both sea and mountains, with the Picos de Europa watching over you along the way.

**OVIEDO and
CENTRAL MOUNTAINS
OF ASTURIAS**

OVIEDO and the jewels of pre-Romanesque style. This incursion into the Central Mountains of Asturias reveals both art and nature in a beautiful, winding route where the peaks provide a majestic background. Bustiello (Mieres) Mining town interpretation center
